

# I Won't Stop

## Before You Exit

When we were younger we used to dream  
We used to dream big  
All of the scars you left up your sleeve  
Heart so deceiving Take aim before you know who you're shooting  
This game that you play but you're losing  
Pretend like you know what you're doing  
But I'm letting you go, I'm letting you go I'll never be somebody else  
Just to make it, to make it  
I'll never go living a lie  
Just to fake it, to fake it  
My mind's taking over me  
I'm not where I'm supposed to be  
So hold me down, keep taking your shots  
I won't stop until I'm on top Stop  
No but I won't stop  
No but I won't stop  
For you Stop  
No but I won't stop  
No but I won't stop  
For you You used to fly too close to the sun  
But now you're burning  
Lost with the words that shot like a gun  
Broken illusion Take aim before you know who you're shooting  
This game that you play but you're losing  
Pretend like you know what you're doing  
But I'm letting you go, I'm letting you go I'll never be somebody else  
Just to make it, to make it  
I'll never go living a lie  
Just to fake it, to fake it  
My mind's taking over me  
I'm not where I'm supposed to be  
So hold me down, keep taking your shots  
I won't stop until I'm on top Stop  
No but I won't stop  
No but I won't stop  
For you Stop  
No but I won't stop  
No but I won't stop  
For you It's wrong when you feel

It's fake when it's real  
I know what you're doing, you'll never reveal  
It's wrong when you feel  
It's fake when it's real  
I know what you're doing, you'll never reveal  
I'll never be somebody else  
Just to make it, to make it  
I'll never go living a lie  
Just to fake it, to fake it  
My mind's taking over me  
I'm not where I'm supposed to be  
So hold me down, keep taking your shots  
I won't stop until I'm on top  
Stop  
No but I won't stop  
No but I won't stop  
For you  
Stop  
No but I won't stop  
No but I won't stop  
For you  
Stop  
No but I won't stop  
No but I won't stop  
For you  
Stop  
No but I won't stop  
No but I won't stop  
For you  
So hold me down, keep taking your shots  
I won't stop until I'm on top  
Hold me down, keep taking your shots  
I won't stop until I'm on top
