

Don't Walk Away

Four Tops

Girl, baby Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Come on girl, come around now Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Your love, it takes me higher You built me up, made me feel I was good enough
To be your guy, now you've changed your mind, girl
Couldn't decide if your love was all in my mind
But in my heart too, I believe in you Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Come on girl, come around now Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Your love, it takes me higher Don't let me down, promise me you'll be around
I'll take the lie, just say that you'll try, girl
Over the year I've cried twenty million tears
But in one day you washed them all away, yeah If I ever get another chance
I'm gonna, hey I'm really gonna love you
We can start a new romance
Say you'll be mine, yeah Don't you walk away
Don't turn your back on me
Don't walk away girl, don't walk away girl
Don't you walk away, don't you walk away Hey girl, listen to me girl
Don't turn your back on me
Now that you got me inspired
Don't you walk away, don't you walk away Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Come on girl, come around now Don't walk away, don't walk away
Not now that I'm inspired
Oh, won't you stay? Please, won't you stay?
Your love, it takes me higher Don't walk away, don't walk away
Not now you got me inspired
Oh, won't you stay? Please, won't you stay?
Come on girl, come around now Don't walk away, don't walk away
Hey, you got me inspired
