

# Perfect

## No Address

Don't you strut like you think you're cool?  
Look how you walk with a giant step  
Makes the cute men drool the rest  
Just stand there with their long hair  
Do you feel like the way I do?  
Wanna scream out the way I do?  
Do you fight like the way I do?  
Are you perfect? Don't you think so good  
Why don't you come out with what's on your mind?  
Yes, show them all how you bought your time  
Your perfect, so perfect  
So perfect, so perfect  
When you step inside the club  
Your eyes, they light up like an ashtray  
When you smoke a diamond stick  
The cute men light up with their wallets  
So you feel like the way I do?  
Wanna scream out the way I do?  
Do you fight like the way I do?  
Are you perfect? So perfect  
Why don't you come out with what's on your mind?  
Tell them all how you bought your time  
Oh you're so perfect with your golden rings

The more you go on the more I think it's time for me to leave  
Your perfect, so perfect, so perfect  
So perfect, so perfect  
You turn around and then they come  
To let you know, to let you know, to let you know  
That your world is not enough, is not enough, is not enough  
Do you blur like the way I do?  
Wanna sink like the way I do?  
Do you fight like the way I do?  
Are you perfect?  
Do you feel like the way I do?  
Wanna scream out the way I do?  
Do you fuck like the way I do?  
Are you perfect?  
Perfect, perfect

Perfect, so perfect, you perfect  
Do you feel like the way I do?  
Do you fuck like the way I do?  
So perfect, so perfect, so perfect  
So perfect, so perfect, see you perfect
