Last Dance

Rhye

Tell me lies and lullabies
But don't tell me to change
Whoa, don't give me that face
Secret call, cracks in this noose
Bitter self, fashion fronting[Chorus]
Oh, this last dance
Turn away, turn away
Oh, this last dance, this last dance
Don't walk away, don't walk awayTell me lies and lullabies
But don't tell me to change
Whoa, don't give me that face
It's all like feathers, I'm full of fur
Game on, game on, game on, tonight[Chorus]This last dance
Is tough to feel, it's tough to feel
Is tough to feel, it's tough to feel
This last dance, this last dance
This last dance, this last dance
Is tough to feel, it's tough to feel
Is tough to feel, it's tough to feel
This last dance, this last dance
This last danceTell me lies and lullabies
But don't tell me to change
Whoa, don't give me that faceWhoa, whoa
Whoa, whoa
