

Ohm (Live 1)

Yo La Tengo

Sometimes the bad guys go right on top
Sometimes the good guys lose
We try not to lose our hearts, not to lose our minds
Sometimes the bad days may take their grip
Sometimes the good days fade
But the rain today hurts the head to drink
But nothing ever stays the same
Nothing's explained
The harder the we go
The longer we climb 'Cause this isn't the road we know
So say good night to me
Lose no more time
No time
'Cause it's been fun I heard you called me
From far away, far like the king Tut
Having the voice to make it right
So I just cry I fell to stay good
So been away
Before I could even see
Tried once more
Lost my ??? and we're gone
But nothing ever stays the same
Nothing's explained
The longer it takes
The looser the times 'Cause this isn't the road we know
So say good night to me
Lose no more time
No time
'Cause this ain't the road But nothing ever stays the same
Nothing's explained
The stronger ???
The faster ??? 'Cause this isn't the road we know
So say good night to me
Lose no more time
No time
'Cause this ain't the road
'Cause this ain't the road
'Cause this ain't the road
'Cause this ain't the road
'Cause this ain't the road
'Cause this ain't the road

'Cause this ain't the road
'Cause this ain't the road
'Cause this ain't the road
