Exit Wounds

Shane Nicholson

My hands are cold
My body's numb
I'm still in shock
What have you done
My head is pounding
My vision's blurred
Your mouth is moving
I don't hear a word

And it hurts so bad
That I search my skin
For the entry point
When love went in
And ricocheted
And bounced around
And left a hole when you walked out yeah

I'm falling through the doors of the emergency room
Can anybody help me with these exit wounds
I don't know how much more love, this heart can lose
And I'm dying, dying from these exit wounds
Wounds, when they're leaving, the scars you're keeping
Exit wounds, when they're leaving, the scars you're keeping

Marks a battle
Still feel raw
A million pieces of me
On the floor
I'm damaged goods
For all to see
Now who would ever want to be with me

I've got all the baggage
Drink the pills
Yeah this is living but without the will
I'm blacking out
I'm shutting down
You've left a hole
When you walked out yeah

I'm falling through the doors of the emergency room
Can anybody help me with these exit wounds
I don't know how much more love this, heart can lose
And I'm dying, dying from these exit wounds
Wounds, when they're leaving, the scars you're keeping
Exit wounds
When they're leaving, the scars you're keeping yeah

Lose your clothes and show your scars
That's who you are
Lose your clothes and show your scars
That's who you are
Lose your clothes and show your scars
That's who you are
Lose your clothes and show your scars

Marks a battle
Still feel raw
A million pieces of me
On the floor

I'm falling through the doors of the emergency room
Can anybody help me with these exit wounds
I don't know how much more love this, heart can lose
And I'm dying, dying from these exit wounds
Wounds, when they're leaving, the scars you're keeping
Exit wounds
When they're leaving, the scars you're keeping
