

This Love

Jessica Sanchez

--VERSE--

I love you

Like milk to a baby

I'm craving you baby can't get enough of ... you. And I need you

Like a chest needs a heart

I'm a part of you boy and I know you feel it ... to.-CHORUS-

Boy like MJ glitter and white socks

We're like Whitney in the Bodyguard,

Just like ATMs and credit cards,

I was made for lovin' you, boy. See there's some things that just won't change

And I'll always love you the same

Money come and go but you complete me

Only you babe

Believe me, yeah-CHORUS-

Like black and white TVs

Or hits from the 80s

Like jump ropes and boom boxes

This love is a classic Like old school movies

Love letters and prom queens

Weekend drive ins and chick flicks

This love is a classic I trust ya

Imma give you my heart enough beating when even blink 'cus i know you got me... Baby I can see it

You and me together

Forever and ever

I'll never love another... baby Boy like MJ glitter and white socks

We're like Whitney in the Bodyguard,

Just like ATMs and credit cards,

I was made for lovin' you, boy. See there's some things that just won't change

And I'll always love you the same

Money come and go but you complete me

Only you babe

Believe me, yeah-CHORUS

Like black and white TVs

Or hits from the 80s

Like jump ropes and boom boxes

This love is a classic Like old school movies

Love letters and prom queens

Weekend drive ins and chick flicks

This love is a classic Ohhh.. like clouds and rains

Sunshine and rainbows, where you'll go I'll follow
Through the darkest nights I'll be by your side my love be
your light yeah..-CHORUS-
Like black and white TVs
Or hits from the 80s
Like jump ropes and boom boxes
This love is a classic Like old school movies
Love letters and prom queens
Weekend drive ins and chick flicks
This love is a classic I'll never love nobody like you no no no-body like you
(This love is like a classic) I'll never love nobody like you no no no-body like you
(This love is like a classic)
