

# O Come All Ye Grateful Dead-Heads

## Bob Rivers & Twisted Radio & Bob Rivers

O come, all ye Grateful  
Deadheads to the concert  
O come, Grateful Deadheads  
And camp in the street  
Bring rolling papers  
Don't forget your sleeping bags  
O come get us some floor seats  
We've followed them for four weeks  
O come get us some floor seats  
To see the Lord  
O come, all ye hippies  
Throwbacks to the Sixties  
Paint flowers on your van  
And don't wash your feet  
Wear your bell-bottoms  
And your tie-dye t-shirts  
O come let us adore them  
We've quit our day jobs for them  
O come let us adore, them  
Garcia's the Lord
