

# The First Noel

**Olivia Newton-John**

The first Noel  
The angels did say  
Was to certain poor shepherds  
In fields as they lay In fields where they Lay  
Keeping their sheep  
On a cold winter's night  
That was so deep They looked up  
And saw a star  
Shining bright in the east  
Beyond them far And to the earth  
It gave great light  
And so it continued  
Both day and night
