It's Up to You

Cheap Sex

you only get one chance in this life you live
nobody will give nothing to you
do what you can to get ahead
you know you've gotta see it through
never listen to anyone
only you will know what's right
fuck what the others have to say
always keep your goals in sight[Chorus:]
it's up to you ...
no one can do the things you do..
you know it's up to you!
no one can live your life for you!the day you give in, and they get their way
then they'll know they've won
gotta keep one step ahead
ya gotta stay on the run
always stay true to your soul and mind
always listen to your heart
what others say doesn't mean a thing
give yourself a fresh new start.
