

Will I Survive

Introvoys

I have this feeling inside me that i've always tried to hide
this feeling has never ended, didn't ever subside
i realized that keeping it would only cause me pain
so i tried to forget about it but the feeling only remained

 tell me will i ever survive
 stop my tears and keep it inside
 holding back myself from being close to you

 here i am all alone so lost and full of confusion
 not knowing how to help myself arrive at a decision
 i can't get you out of my mind

 i don't know what to do
 it's this feeling that's ever growing
 it's this feeling i feel for you....

 tell me will i ever survive
 stop my tears and keep it inside
 holding back myself from being close to you....

Will i ever wake up from this dream
I'm going through
