Drama

Da da grillz, da da da grillz
Da da grillz, da da da grillz
Da da grillz, da da da grillz
Da da grillz, da da da da I been waiting, tonight, girl, it's on
I'm a bring the weed and bottles of patron
You ain't been with me yet, you ain't really screamed yet
I'm a get you hot, till I make your weave sweat Sweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(Beat it up) Sweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(beat it up) I gotta put it in the streets like yellow lines
It's so wet, lil' Mama need a yellow sign
'Cause you might slip and fall in love with it
On the lo shawty, you can get, get, get it I'm in the club, got the bitches staring, pointing
You fuck with me tonight, tomorrow you'll need a hair appointment
I'm in a fresh white tee, every wrinkle gone
The yellow lights flashing like I got my blinkers on I was doing me, smokin' kush, drinkin' 'tron
Shawty came down the stairs, gettin' her slinky on
She said, "I drip like a faucet, bring a sink along
Or your room gonna look like someone left the sprinklers on" I been waiting, tonight, girl, it's on
I'm a bring the weed and bottles of patron
You ain't been with me yet, you ain't really screamed yet
I'm a get you hot, till I make your weave sweat Sweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(Beat it up) Sweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(beat it up) When I leave the club with a broad, you know we fucking
Come home with me, I don't want no number or nothing
Grab hold to her, put that pole to her
Beat the pussy up, tryna tear a new hole through her Long dick daddy in a DTS caddy
I done pimped from Florida to Cincinnati
Drive a bitch batty, got her brain going wild
She don't love me she love my doggy style, screaming Daddy, come fuck me, come fuck me
You're like a vacuum girl, the way you suck me
Pull your hair, spank that ass quick roughly

I know the flavor of love and you buckyGirl, trust me, I make you feel incredible
Pussy is edible
I make it wet no man could do it better boo
Your head good you got a future ahead of you, laI been waiting, tonight, girl, it's on
I'm a bring the weed and bottles of patron
You ain't been with me yet, you ain't really screamed yet
I'm a get you hot, tillI make your weave sweatSweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(Beat it up)Sweat, sex, damn, it's so wet, so wet
(Beat it up)
Sweat, sex, that pussy so wet, so wet
(beat it up)Take your clothes off, it's alright
It's going down girl, all night
See baby, we gettin' popping all in the moonlight
Wanna see if you can get freaky until the sunriseThat pussy hot girl and it's so tight
I been waiting for you to give me the green light
See baby, we gettin' popping all in the moonlight
Wanna see if you can get freaky until the sunrise?
