People Get Real*

Saint Etienne

Get on the floor and look real sexySaw you and when I saw you
I thought this is real, this is real
Kissed you and when I kissed you
I whispered forever, foreverI love the way, I love the way you move
I love the way, I love the way you move
Just lose yourself
Lose yourself in circles of soundPeople get real
People get real
People get realKnowing, the way that we are feeling
You told me that we'd turn clean, that we'd turned clean
Talking, taking advantage
The other side of your dreams, of your dreamsDon't tell me this is precious
Don't tell me this is soulful
Well you have to be
Have to be kidding me onPeople get real
People get real
People get realSo don't stop, don't stop believing
No and don't stop, don't stop believing
Just keep on, keep on, keep on believing it's herePeople get real
People get real
People get realPeople get real
People get real
