Accuser

Spoken

Moving through the queue so slowly
Until devour the world
Watching to sound all closely
You're waiting long and to take the drawLiar, dryer, accuser, betrayerYou will never have a place in this heart
You will never have a place in this lifeFor I'll dream by the wounded
Your soul in the well to trap by
The truth and lies
Training talking for me
Walk a while, imprison meYou will never have a place in this heart
You will never have a place in this lifeWe will survive
We will survive
You will never have a place in this heart
You will never have a place in this life
