As Long As You Love Me

Jason Chen

As long as you love me
As long as you love me
Were under pressure,
Seven billion people in the world trying to fit in
Keep it together,
Smile on your face even though your heart is frowning
But hey now, you know, girl,
We both know its a cruel world
But I will take my chances
As long as you love me
We could be starving, we could be homeless, we could be broke
As long as you love me
Ill be your platinum, Ill be your silver, Ill be your gold
As long as you lo lo lo lo lo lo lo lo lo lo lo lo love me love me
As long as you lo lo lo lo lo lo lo lo lo lo lo lo love me love me
Ill be your soldier,
Fighting every second of the day for your dreams, girl
Ill be your Hova
You can be my Destinys Child on the scene girl
So dont stress, dont cry, we dont need no wings to fly
Just take my hand
As long as you love me
We could be starving, we could be homeless, we could be broke
As long as you love me
Ill be your platinum, Ill be your silver, Ill be your gold
As long as you lo lo lo lo lo lo lo lo lo lo lo lo love me love me
As long as you lo lo lo lo lo lo lo lo lo lo lo lo love me love me
I need you, You need me
Dont deny it your my baby
Just keep trying
Well get through this
No more crying baby youll see
I am screaming fast and fighting
Youre my dream its like Im flying
I dont want nobody else
Youre my heaven, youre my hell
But you know Ill be your shelter
Through the storm, through the rain, through the pain
As long as you kiss me

As long as you hold me
As long as you love me
As long as you lo lo lo lo lo lo lo lo lo lo lo love me love me
As long as you love me
We could be starving, we could be homeless, we could be broke
As long as you love me
Ill be your platinum, Ill be your silver, Ill be your gold
As long as you lo lo lo lo lo lo lo lo lo lo lo love me love me
As long as you lo lo lo lo lo lo lo lo lo lo lo love me love me
