

# The Good Red Road

## Devendra Banhart

It ain't hard to adore you  
Drag you into my town  
Put your guard down, explore you  
And I'll always be around  
I want to live in Jamaica  
Yeah I wanna live in Jamaica  
...let your hair down  
How'd they get their nose  
...let your hair down...  
I'm in love with an anchor  
I can floss with her tail  
She's the island above me  
And I can tell, I can tell  
When you nally break my legs  
And I can never leave the house again  
Then I'll finally love you  
And we can have some kids
