

# You Belong (Kevin Saunderson Remix)

## Hercules and Love Affair

The lights they call me  
Call me to your side  
The lights they blind me  
They take my sight Will you restore me?  
Grace my senses again?  
The lights they blind me  
Soon he descends You belong to him tonight  
There is nothing I can do  
You belong to him tonight  
There is nothing I can do With words unspoken  
The truth is revealed  
Gates fly open  
Your chance to be healed How he adores you  
Will I be with you my friend?  
The lights they blind me  
Soon he descends You belong to him tonight  
There is nothing I can do  
You belong to him tonight  
There is nothing I can do You belong to him tonight  
You belong  
There is nothing I can do  
You belong  
You belong to him tonight  
You belong to him tonight  
There is nothing I can do  
You belong  
You belong to him tonight  
There is nothing I can do You belong to him tonight  
You belong  
You belong  
You belong  
You belong  
You belong  
You belong...  
You belong to him tonight  
You belong  
You belong  
You belong  
You belong

You belong  
You belong...
