Stop don't say that it's impossible 'cos I know
It's possible

Though I know

You never look my way

I can say

You will one day

I can say

You will one dayI will be Popular

I will be popular

I'm gonna get there popular

My body wants you girl

My body wants you girl

I'll get ya when I'm popular

I'll put my hands up in the lights

You'll see me dancing for my life

I will be Popular

I will be popular

I'm gonna get there popular

000 000

OO PopularOOO OOOSpread the news - I'm gonna take the fight

(For) the spotlight

Day and night

I can take this to the number one

Be someone

Before you're gone

Be someone before you're goneOOO OOO

OO POPULARI will be Popular

I will be popular

I'm gonna get there popular

My body wants you girl

My body wants you girl

I'll get ya when I'm popular

I'll put my hands up in the lights

You'll see me dancing for my life

I will be Popular

I will be popular
