Love's Gonna Live Here

Norma Jean

Oh the sun's gonna shine in my life once more love's gonna live here again
Things're gonna be the way they were before love's gonna live here again
Love's gonna live here love's gonna live here love's gonna live here again
No more loneliness only happiness love's gonna live here again
[el.banjo - guitar]
I hear bells're ringin' I hear birds're singin' love's gonna live here again
I hear bees a hummin' and I know the days're comin'
Love's gonna live here again
Love's gonna live here...
Love's gonna live here again
