

# Rich Woman

Robert Plant

I got a woman with plenty of money  
She got the money and I got the honey  
Called my baby late last night  
She told me daddy everything was all right

She got the money and I got the honey  
She got the money and I got the honey  
She got the money and I got the honey

I don't have to worry about her she's real fine  
I know my baby and she's all mine  
She give me a Cadillac, a diamond ring  
She told me daddy don't you worry bout a thing

She got the money and I got the honey  
She got the money and I got the honey  
She got the money and I got the honey

She's all mine and I'm so glad  
She's the best woman that I ever had  
She's all mine and I'm so glad  
She's all mine and I'm so glad  
She's all mine and I'm so glad

Ah, stop your train  
Ah mama stop your train
