Feelin' On Yo Booty

R Kelly

This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin' to dance slow
Put your arms around me
I'm feelin' on your booty
Hey, pretty mama how you doin'?
Said I'm just in town for the weekend
Lookin' for a little trouble to get into
Baby tell me what you're drinkin'?
And I got you
Players wanna play
Ballers wanna ball
Rollers wanna roll
But I'm takin' off after I dance, oh yeah
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
Now you're body's got me feelin' like spendin'
With a back room I could come to live in
And your hair weave lookin' kind of pretty
The way you back it up on me baby
God have mercy
Players wanna play
Ballers wanna ball
Rollers wanna roll
But I'm takin' off after I dance, yeah
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor

We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
If it's your birthday
Then put your hands up
You wanna get drunk
Then put your hands up
And if you got some cash
Put your hands up
And your own job
Put your hands up
Players wanna play
Ballers wanna ball
Rollers wanna roll
Feel so good, say it again
Players wanna play
Ballers wanna ball
Rollers wanna roll
But I'm takin' off after I dance, oh yeah
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out

As I walk you to the dance floor
We begin to dance slow
Put your arms around me
I'm feelin' on your booty
This is my song for real, no doubt
Said the DJ's makin' me feel tugged out
As I walk you to the dance floor
We begin to dance slow
Put your arms around me
