Ultimate Relationship (a.m.)

Mary J Blige

It's about the things you say to me in the A.M.
It's about the way you hold me in the A.M.
Somethin' 'bout a sweet rendezvous in the A.M.
God, I like spendin' time with you in the A.M.
It's about six and the sun's on its way up
I'm half asleep waiting for your touch to wake me up
I like the way you call me, the way you whisper peace
(Call me)
The things you reveal, God, I know you're real
(You're real)
Nothin' like the way you make me feel
It's about the things you say to me in the A.M.
(Like the way you talk to me)
It's about the way you hold me in the A.M.
(Like the way you hold me)
Somethin' 'bout a sweet rendezvous in the A.M.
God, I like spendin' time with you in the A.M.
I have to admit, this is the way to start the day
(Way, day)
Captured in love, Jesus, your love takes me away
(Takes me away)
I like the way you call me, the way you whisper peace
(Call me)
The things you reveal, God, I know you're real
(Reveal, you're real)
Nothin' like the way you make me feel
It's about the things you say to me in the A.M.
(I love the talking)
It's about the way you hold me in the A.M.
(Love the way you hold)
Somethin' 'bout a sweet rendezvous in the A.M.
(So sweet)
God, I like spendin' time with you in the A.M.
(Spendin' time with you)
What you do to me, I just can't explain
(I just can't explain)
What it means to me to hear you call my name
(Hear you call my name)
What a perfect way for me to start the day

Captured in love, Jesus, your love takes me away
It's about the things you say to me in the A.M.
(I love, I love)
It's about the way you hold me in the A.M.
(Will you hold me in the A.M.?)
Somethin' 'bout a sweet rendezvous in the A.M.
(So sweet to be [Incomprehensible])
God, I like spendin' time with you in the A.M.
(Spendin' all my time)
