# Empty Inside

## Triumph

Empty inside, empty inside
Scared and alone
So far from home
Lonely and tiredNo place to go
No place to hide
All you got left is
Your will to surviveEmpty insideWhat have you found?
Won't you give it a try?
Is it someone to love?
Is it something to fill
The empty inside?Still got your pride
Better run for your life
You're scared and alone
You run on your ownShakin' down to the bone
Down to the bone
Down to the boneStill got your pride
Better run for your life
You're scared and alone
You run on your ownShakin' down to the bone
Down to the bone
Down to the boneEmpty inside, empty inside
Empty inside, empty inside
Empty inside,empty inside
Empty inside
