World, Hold On

Europa FM

Open up your heart, what do you feel
Open up your heart, what do you feel is real, yeah
The big bang may be a million years away, oh
But I can't think of a better time to sayLook inside, you'll find a deeper love
The kind that only comes from high above
If you'll ever meet your inner child, don't cry, no, no
Tell them everything is gonna be alrightWorld, hold on instead of messing with our future
Open up inside
World, hold on, one day you will have to answer
To the children of the skyWorld, hold on, instead of messing with our future
Tell me no more lies
World, hold on, one day you will have to answer
To the children of the skyWorld, hold on instead of messing with our future
Open up inside
World, hold on, one day you will have to answer
To the children of the skyWorld, hold on, instead of messing with our future
Tell me no more lies
World, hold on, one day you will have to answer
To the children of the skyWorld, hold on instead of messing with our future
Open up inside
World, hold on, one day you will have to answer
To the children of the skyWorld, hold on, instead of messing with our future
Tell me no more lies
World, hold on, one day you will have to answer
To the children of the sky
