

Baby One More Time

Travis

Oh baby, baby, how was I supposed to know
That something wasn't right here
Oh baby, baby, I should not have let you go
And now you're out of sight
Show me what you want it to be
Tell me baby 'cos I need to know now because My loneliness is killing me
(And I)
I must confess I still believe
(Still believe)
If I'm not with you I lose my mind
Give me a sign
Hit me baby one more time Oh baby, baby, the reason I breathe is you
Girl you got me blind
Oh pretty baby, there is nothing that I would not do
It's not the way I planned
Show me how you want it to be
Tell me baby 'cos I need to know now because My loneliness is killing me
(And I)
I must confess I still believe
(Still believe)
If I'm not with you I lose my mind
Give me a sign
Hit me baby one more time Oh baby, baby, how was I supposed to know?
Oh pretty baby, I shouldn't have let you go
I must confess that my loneliness is killing me now
Don't you know I still believe that you will be here
Just give me a sign
Hit me baby one more time My loneliness is killing me
(And I)
I must confess I still believe
(Still believe)
If I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
