

# That Girl

## Jah Cure

When I find that girl  
I'll lock her down  
I swear that girl  
Will be the only one for me  
The one that makes my life complete  
When I find that girl  
I'll hold her down  
I swear that girl  
She'll be the one that conquer me  
Her loving takes control of me  
Could you be at one of my shows  
Good love it's almost like I'll never know  
Could you be in front of my face  
Good love is something is that I want to embrace  
I got a King size bed but no Queen to share it with me  
Said that I wanna know your name right now, right now  
When I find that girl  
I'll lock her down  
I swear that girl  
Will be the only one for me  
The one that makes my life complete  
When I find that girl  
I'll hold her down  
I swear that girl  
She'll be the one that conquers me  
Her loving takes control of me  
Could it be my next-door neighbor?  
Real Love, I'm keeping on my best behavior  
Could it be my closest friend?  
Real Love, it can never be the same again  
Got a fancy car but got no one to ride with me  
Said that I wanna know your name right now, right now  
So  
When I find that girl  
I'll lock her down  
I swear that girl  
Will be the only one for me  
The one that makes my life complete  
When I find that girl  
I'll hold her down  
I swear that girl  
She'll be the one to conquers me  
Her loving takes control of me
