# Man For Life

## Marc Broussard

Well, well, well, well
I can't understand why you don't say you love me, baby
It's the truth, you know, the truth you can't deny
I know it ain't always easy for you, especially lately
But you gotta let it go and I apologize
If you don't wanna let it go, tell me now, not later
I could never live without you by my side
I know we can build on what we got and make it greater
But the way you've been acting makes me think you miss the high
My love remains through the joy and the pain
But it seems that you've changed your mind
I got no regrets, forgive and forget
Baby now is the time to decide
Am I your man for life? Your man for life
Every time you walk into the room I can't escape it
My knees get weak and all I know is the desire
To have next to my body, huggin', touchin', lovin'

Baby you sure do know how to light my fire
My love remains through the joy and the pain
But it seems that you've changed your mind
I got no regrets, forgive and forget
Baby now is the time to decide
Am I your man for life? Man for life
My love remains through the joy and the pain
But it seems that you've changed your mind
I got no regrets, forgive and forget
Baby now is the time to decide
Am I your man?
My love remains through the joy and the pain
But it seems that you've changed your mind
I got no regrets, forgive and forget
Baby now is the time to decide
Am I your man for life? Am I your man for life?
