Stoned On Her Love

Joe Diffie

I'm stoned on your love
Kick her off Earl, yeahI don't need cigarettes or whiskey
I don't get a rush from caffeine
Ain't trippin' out on nothing
Not into that sceneBut I wake up every morning
And I take a shot of her to love
It's a desperate habit if there ever wasShe's the rock that I'm leaning on
(Ooh, ooh, ooh)
She's my holy Jones
(Holy Jones)
I got a thirst for her love, comin' on strongShe's my heart and soul addiction
(Ooh, ooh, ooh)
She's the only one
(My only one)I'm never giving it up
I'm stayin' stoned on her love
(Stoned, stoned, stoned on her love)L just can't live without it
I'm strung out and going insane
She's deep down in my bones
Pumpin' through my veinsShe's the rock that I'm leaning on
(Ooh, ooh, ooh)
She's my holy Jones
(Holy Jones)
I got a thirst for her love, comin' on strongShe's my heart and soul addiction
(Ooh, ooh, ooh)
Yeah, she's the only one
(My only one)I'm never giving it up
I'm stayin' stoned on her love
(Stoned, stoned, stoned on her love)Ooh, ooh, ooh
Stoned, stoned, stoned on her loveShe's my heart and soul addiction
(Ooh, ooh, ooh)
I'm staying stoned on her loveHey, she's the rock that I'm leaning on
(Ooh, ooh, ooh)
Man, I'm staying stoned on her love(I'm stoned, stoned, stoned on her love)
Yeah, I'm stoned on her love
(I'm stoned, stoned, stoned on her love)Whoa, sweet baby, don't you know
That I'm stoned on your love
(I'm stoned, stoned, stoned on her love)
