

Shake

Jesse McCartney

I met this girl down the block from me
Used to tell myself she was too hot for me
But then I saw her at the corner store
So I ran on over just to grab the door
I got her number, we started chilling
We started buzzing and got addicted
Now I, I'm the one she can't live without
I bet that's her right now
Shorty hitting me up, says she wanna re-up
Knows I got the best in town
'Cause when she get the shivers, she knows that I'll deliver
I'm the one that holds her down
She's about to break, break, break, break, break
And I won't let her wait, wait, wait, wait, wait
It's getting kinda late, late, late, late, late
And she just wanna shake, shake, shake, shake, shake
One day she started texting me
Asked if she could borrow that recipe
I told her loving you is my specialty
She said well give it up, up, give it up, up
When she's away it's such a downer
And I miss her every time I'm not around her
'Cause she, she's the one I can't live without
I hope that's her right now
Shorty hitting me up, says she wanna re-up
Knows I got the best in town
'Cause when she get the shivers, she knows that I'll deliver
I'm the one that holds her down

She's about to break, break, break, break, break
And I won't let her wait, wait, wait, wait, wait
It's getting kinda late, late, late, late, late
And she just wanna shake, shake, shake, shake, shake
I'm hooked on her, I must admit
I'd do any, I'd do anything to get it
She hooked on it, a bad habit
She'd do, she'd do anything to have it
When she calls I know
Exactly what she wants from me

Yeah, anytime I hear my phone ringing
She wants to shake it with me
Shorty hitting me up, says she wanna re-up
Knows I got the best in town
'Cause when she get the shivers, she knows that I'll deliver
I'm the one that holds her down
She's about to break, break, break, break, break
And I won't let her wait, wait, wait, wait, wait
It's getting kinda late, late, late, late, late
And she just wanna shake, shake, shake, shake, shake
Shorty hitting me up, says she wanna re-up
Knows I got the best in town
'Cause when she get the shivers, she knows that I'll deliver
I'm the one that holds her down
She's about to break, break, break, break, break
And I won't let her wait, wait, wait, wait, wait
It's getting kinda late, late, late, late, late
And she just wanna shake, shake, shake, shake, shake
