

# At The Club (interlude)

## Da Brat

Yo, I?m happy we got to go out tonight  
And shit you know, it?s kinda crackin? up in here  
    Hmm, no doubt boo, ya know  
    I?m tryna treat my baby right  
Word, we gonna spend a little time and shit  
    Definitely, definitely  
    I?m feelin? that, I?m feelin? that  
    Oh shit, there go Da Brat  
    Oh shit? What you mean, oh shit?  
You whatcha talk, why you always tryna  
    Blow something out of proportion?  
Yo just shut the fuck up and drink, man  
    Hold up, hold up, you wanna see me  
    Blow some shit out of proportion  
    What the fuck you talkin? 'bout, oh shit  
What the fuck is you lookin? over there for?  
    Ay yo whatever, man  
Yo that?s my word, if you look over there  
    One more fucking time  
    I?m a smack the shit outta you yo
