

Better Man

[Oasis](#)

I wanna love you
I wanna be a better man
I don't wanna hurt you
I just wanna see what's in your hands Well, alright now
Well, alright now And I know you'll understand
And I know you'll understand I wanna love you
I wanna be a better man
I don't wanna hurt you
I just wanna see what's in your hands Well, alright now
Well, alright now And I know you'll understand
And I know you'll understand I'm gonna be a better man
I'm gonna be a better man I'm gonna be a better man
I'm gonna be a better man I'm gonna be a better man
I'm gonna be a better man I'm gonna be a better man
I'm gonna be a better man
