It's Only Life

Kate Voegele

Tears are formin' in your eyes
A storm is warnin' in the sky
The end of the world, it seems
You bend down and fall on your knees
Well, get back on your feet, yeahDon't look away, don't run away
Baby, it's only life
Don't lose your faith, don't run away
Baby, it's only lifeYou were always playin' hard
You never could let down your guard, no
Oh, but you can't win if you never give in
In to that voice within, it's sayin' pick up your chin
Baby let go of it, yeahDon't look away, don't run away
Baby, it's only life
Don't lose your faith, don't run away
Baby, it's only lifeDon't look away, don't run away
Baby, it's only life
Don't lose your faith, don't run away
Baby, it's only lifeTake your hesitance and your self-defense
Leave them behind, it's only life
Don't be so afraid of facin' every day
Just take your time, it's only lifeI'll be your steppin' stone, don't be so alone
Just hold on tight, it's only life
Oh yeah, yeah, yeah, yeah, ohDon't look away, don't run away
Baby, it's only life
Don't lose your faith, don't run away
Baby, it's only lifeDon't look away, don't run away
Baby, it's only life
Don't lose your faith, don't run away
Baby, it's only lifeIt's only life, oh yeah
It's only life
Don't look away
