The Love In Your Eyes

Dan Hartman

Your eyes, your eyes are the windows of the soul
Don't you know?
And every time they look at me
It's a pleasure what they showAnd do you wanna celebrate the light inside of me?
Real emotion for everyone to see
Song to sing with a sweet melody
Somethin' to believe in, tell you how I feelCarry on that magic of the feeling you express
People will be happy if they have what you possess
It's the love in your eyes
Baby, it's the love in your eyesAnd darling when I hold you, you give it back to me
I can't imagine anything that I would rather see
From the love in your eyes
Baby, it's the love in your eyesThe touch, the touch of your hand so fundamental
In my head, in my heart, in my soul healing on so many levels
It doesn't matter what we're going through
One thing with me is that I'll always love youAnd don't change a thing, that's my advice
I'm singing about the sweetness you bring into my lifeCarry on that magic of the feeling you express
People will be happy if they have what you possess
It's the love in your eyes
Oh baby, it's the love in your eyes, the love in your eyesAnd darling, when I hold you, you give it back to me
I can't imagine anything that I would rather see
From the love in your eyes
Baby, it's the love in your eyes
The love in your eyes, oh babyI know this love holds many changes
Not everyday will be a day without the past
Ah, don't you worry, just give it up to heaven
If we release control love will surely last
I want the people want to show your love will last
Ooh, baby, baby, baby love will lastI wanna celebrate the light I see
Real emotion between you and me
Song to sing with a sweet melody
Somethin' to believe in, I tell you how I feelCarry on that magic of the feeling you express
People will be happy if they have what you possess
It's the love in your eyes
Baby, it's the love in your eyesAnd darling, when I hold you, you give it back to me
I can't imagine anything that I would rather see
From the love in your eyes
I said I see the love in your eyes, the love in your eyes
The love in your eyesCarry on that magic of the feeling you express

People will be happy if they have what you possess
It's the love in your eyes
Baby, it's the love in your eyes, is in your eyes
Darling, when I hold you, you give it back to me
