Squeeze

Fifth Harmony

[Verse 1: Normani & Camila]
End of the night, looking at me, what do you see?
Wish I could read your mind
Dimming the light, here in the dark, going by feel
Only the moon to guide[Pre-Chorus: Lauren]
When we're alone, I get so close
Give me your warmth I've never known
Face to face, caught in a wild embrace
This is the safest place I've ever known[Chorus: Dinah]
Put your arms around me, baby
Put your arms around me, baby, and squeeze
Only you know how to save me
Put your arms around me, baby, and squeeze, squeeze[Verse 2: Ally]
Remember the night talking to me
Saying the words I wanna hear the most
Gave me your heart, gave me your coat
When I was cold, taking me sweet and slow[Pre-Chorus: Lauren]
When we're alone, I get so close
Give me your warmth I've never known
Face to face, caught in a wild embrace
This is the safest place I've ever known[Chorus: Dinah, Dinah & Camila & Lauren]
Put your arms around me, baby
Put your arms around me, baby, and squeeze
Only you know how to save me
Put your arms around me, baby, and squeeze, squeeze
Put your arms around me, baby
Put your arms around me, baby, and squeeze
Only you know how to save me
Put your arms around me, baby, and squeeze, squeeze
Won't you squeeze me, hold me, baby?
