

# Love Comes to Everyone

Eric Clapton

Go do it, got to go through that door  
There's no easy way out at all  
Still it only takes time  
'Til love comes to everyoneYou, who it always seems blue  
It all yeah, never rains but it pours  
Still it only takes time  
'Til love comes to everyoneThere in your heart  
Somethin' that's never changin'  
Always a part of  
Something, it's never aging  
That's in your heartIt's so true, it can happen to you all  
Just knock and it will open wide  
And it only takes time  
'Til love comes to everyoneThere in your heart  
Somethin' that's never changin'  
Always a part of  
Something, it's never aging  
That's in your heartIt's so true, it can happen to you all  
Just knock and it will open wide  
And it only takes time  
'Til love comes to everyoneIt can happen to you all  
Just knock and it will open wide  
And it only takes time  
'Til love comes to everyone
