

Fly With the Wind

Peter Jacques Band

Fly with the wind
And take my invitation
Dance with the wind and reach up to the sky
You'll never hear so many lies
Because we're goin' down (Goin' down)
Goin' down, It's beautiful

Face with the wind
And meet your destination
Dance with the wind, It feels just like a dream
You'll really spin, You'll really weep
Because you're fallin' down (Fallin' down)
Fallin' down, It's beautiful
Ahh-Ahh

Fly with the wind
Dance with the wind
Fly with the wind
Dance with the wind

Fly with the wind
And take my invitation
Dance with the wind and reach up to the sky
You'll never hear so many lies
Because we're goin' down (Goin' down)
Goin' down, It's beautiful

Face with the wind
And meet your destination
Dance with the wind, It feels just like a dream
You'll really spin, You'll really weep
Because you're fallin' down (Fallin' down)
Fallin' down, It's beautiful
Ahh-Ahh

Fly with the wind
Dance with the wind
Fly with the wind
Dance with the wind

Fly with the wind
Dance with the wind
Fly with the wind
Dance with the wind

[Instrumental]

Fly with the wind
And take my invitation
Dance with the wind and reach up to the sky
You'll never hear so many lies
Because we're goin' down (Goin' down)
Goin' down, It's beautiful

Face with the wind
And meet your destination
Dance with the wind, It feels just like a dream
You'll really spin, You'll really weep
Because you're fallin' down (Fallin' down)
Fallin' down, It's beautiful
Ahh-Ahh

Fly with the wind
Dance with the wind
Fly with the wind
Dance with the wind

Fly with the wind
Dance with the wind
Fly with the wind
Dance with the wind
