

A Ship Without A Sail

Seth MacFarlane

I don't what day it is
Or if it's dark or fair
I guess that's just the way it is
And I don't really care I go to this or that place
I seem alive and well
My head is just a hat place
My breast, an empty shell
And I've a faded dream to sell
All alone, all at sea
Why does nobody care for me?
When there is no love to hold my love
Why is my heart so frail?
Like a ship without a sail Out on the ocean
Sailors can use a chart
I'm on the ocean
Guided by just a lonely heart Still alone, still at sea
Still there's no one to care for me
Where there is no hand to hold my hand
Life is a loveless tale
For a ship without a sail
I'm still alone, I'm still at sea
Still there's no one to care for me
When there is no hand to hold my hand
Life is a loveless tale
For a ship without a sail
