

I Sometimes Wish I Was Dead

Depeche Mode

New sound all around, you can hear it too
Get it hot, never stop, just for me and you
Playing on my radio
And saying that you had to go New day, turn away, wipe away the tear
New night, feel alright, knowing that you're here
Dancing with you all the time
And don't you think that it's a crime Back street, never meet, never say goodbye
I know where you go but I don't know why
You say that it's from above
And I say this is modern love
