Addicted To Love

Ultra

Na Na NiiiGirl im hooked on you
You're a drug
That I should not use
Had enough of our lives
But I know
I'd be needing you one more time
I'm intoxicated
Do you know it's your body im craving
I'm misbehaving
I'm a junkie for love
Excilrated
Do you know I wanna stimluate it
It's not complicated
I can't help it im addicted to love
It's like a fire that I can't contain
I'm addicted to love
It's like a needle piercing through my vein
I'm addicted to love
You intoxicate my heart (I'm an addict)
I can't kick the habbit
I'm addicted to love
I'm addicted to loveI need a fix
I'm needing your touch
Just a hint
To satisfy my lust
Can't denie the love you prescribe
And I know
I'll be needing you one more time
I'm intoxicated
Do you know it's your body I'm craving (trust)
Hallucinating
What about us making love
Excilirated (excilirated)
Do you know I wanna stimulate it (stimulate it)
It's not complicated
Just can't help it
I'm addicted to love
It's like a fire I can't contain
I'm addicted to love

It's like a needle peircing through my vein
I'm addicted to love
You intoxicate my heart (im an addict)
I can't kick the habbit
I'm addicted to love
I'm addicted to loveI'm overdosing can't get no higher babe
Hold me closer
I need more
I need moreFefe yo,
You've got me ringing at your 2 front doors
Every man needs love
And I still want yours
I never thought a touch
Would ever get me addicted
And it's funny dat im still telling you
I still want more
Can't when you aint around me
It feels like my times up
You've got me on a madting
Dat's why I'd always dial up
You're sexy funny and I love it
When you smile up
Ders girls out der but I guess
You're the right one
Huh
I knew it from the start
That you aint like the other girls out there
Wer meant to be apart
And the way you give it to me
No other girls
ca ca can I be the one
I should be in your olymics
The way you got me on the run
Wen the rain comes
You bring the sun
Look at the way she walks (rudegirl)
The way she talks
Shes always in my thoughts
Cuz I'm addicted to love
It's like a fire I can't contain
I'm addicted to love
It's like a needle peircing through my vein
I'm addicted to love
You intoxicate my heart (I'm an addict)
I can't kick the habbit

Na Na Niii
I'm addicted to love
I said I'm addicted to love
I'm addicted to love
