

Always Loved a Film (Michael Woods Remix)

Underworld

The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm, the rhythm, the rhythm, the rhythm
The rhythm of legs moving in the sun
The rhythm of an engine deep and throating
The rhythm of a summer that you walked in
The sound of a barking dog on a loop
A plane rises in the crystal blue
The rhythm of keys swinging in your hand
The rhythm of light coming out of your fingers
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Can you feel it?
Can you feel it?
Heaven, heaven
The rhythm of wheels the rhythm of heels
As we fall into the sun
She walk on silver she walk on gold
Paints I love you on the alley walls
From the eyes that hide behind black glasses
Sunlight hits tell me what she passes
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Can you feel it?
Can you feel it?
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
And I don't know if I love you more
Than the way you used to love me
And I don't know if I need you more
Than the way you used to need me
But it's
Heaven, heaven
Heaven, heaven
Heaven, heaven
Heaven, heaven
Can you feel it?
Can you feel it?

Heaven, heavenHeaven, heaven

Heaven, heaven

Heaven, heaven

Can you feel it?

Can you feel it?

Heaven, heavenHeaven, heaven

Heaven, heaven

Heaven, heaven

Can you feel it?

Can you feel it?

Heaven, heavenHeaven, heaven

Heaven, heaven

Heaven, heaven

Can you feel it?

Can you feel it?

Heaven, heaven
