Teaching Angels How To Fly

Jackie Evancho

Jackie, how do angels fly?
Well, Kimberly, let me tell you how
There are times in life gifts come our way
We don't really realize 'til it's too late
The smile on their faces light this world
The innocence of each boy and girl
Her name was Kimberly, my precious one
And I cherish every day God gave to her
Jackie, can you read it one more time
'Cause I'm not too sure how angels fly?
Just like a bird up in the sky
She spreads her wings
And now she's soaring high
She's farther than clouds can go
She's past the stars
Over the moon
And she's already broken through
Where angels live and never die
As our little Kimberly
Is finally learning how to fly
Now and then I'll hear her voice calling me
When I feel the wind blow

I know she's earned her wings
I can feel the feathers
Brush my face
She leaves behind amazing grace
Just like a bird up in the sky
She spreads her wings
And now she's soaring high
She's farther than clouds can go
She's past the stars
Over the moon
And she's already broken through
Where angels live and never die
As our little Kimberly
Is finally learning how to fly
Just like a bird up in the sky
She spreads her wings

And now she's soaring high
She's farther than clouds can go
She's past the stars
Over the moon
And she's already broken through
Where angels live, and never die
As our little Kimberly
Is teaching angels how to fly
