

# Pick Up a Heart

## Cliff Stocker's Legendary Slack Alice

PICK UP A HEART Slack Alice

Written by Cliff Stocker

Everybody says youâ€™re gonna leave me  
They wanna see me broken hearted, but I wonâ€™t cry  
So donâ€™t look for any tears in my eyes  
If there were would you be surprised?  
Deep down inside I wanna die

I can still see youâ€™ve got that that love look in your eyes  
Every little word you ever said couldnâ€™t have all have been lies  
You werenâ€™t the first, you wonâ€™t be the last  
I get through my women pretty fast  
Though my lips donâ€™t speak, my heart it cries

You ainâ€™t good, you ainâ€™t bad  
You ainâ€™t the best girl that Iâ€™ve ever had  
But if you leave me, pick up this heart thatâ€™s grieving

You gave me something that I couldnâ€™t give  
I couldnâ€™t stay inside your bed the way I live  
Now youâ€™re leavinâ€™ and decide youâ€™re gone,  
Donâ€™t know how Iâ€™ll carry on  
But Iâ€™d hate to be the guy thatâ€™s got to follow me

You ainâ€™t good, you ainâ€™t bad  
You ainâ€™t the best girl that Iâ€™ve ever had  
But if you leave me, pick up this heart thatâ€™s grieving
