# Come On Closer

## Jem

Come on closer
I wanna show you
What I'd like to do
You sit back now
Just relax now
I'll take care of youHot temptations
Sweet sensations
Infiltrating through
Sweet sensations
Hot temptations
Coming over youGonna take it slow, babe
Do it my way
Keep your eyes on me
Your reaction
To my action
Is what I want to seeRhythmic motion
Raw emotion
Infiltrating through
Sweet sensations
Hot temptations
Coming over youAnd now you're satisfied
A twinkle in your eye
Go to sleep for ten
And anticipating
I will be waiting
For you to wake againHot temptations
Sweet sensations
Infiltrating through
Sweet sensations
Hot temptations
Coming over you(When you wake up)
(We'll do it all again)
(When you wake up)
(When you wake up)
(We'll do it all again)
(When you wake up)Hour after hour
Of sweet pleasure
After this, I guarantee
You'll never wanna leave

Shut your eyes and think about
What I'm about to do
Sit back, relax, I'll take my time
This lovin's all for you
