Come On Closer

Jem

Come on closer

I wanna show you

What I'd like to do

You sit back now

Just relax now

I'll take care of youHot temptations

Sweet sensations

Infiltrating through

Sweet sensations

Hot temptations

Coming over youGonna take it slow, babe

Do it my way

Keep your eyes on me

Your reaction

To my action

Is what I want to seeRhythmic motion

Raw emotion

Infiltrating through

Sweet sensations

Hot temptations

Coming over youAnd now you're satisfied

A twinkle in your eye

Go to sleep for ten

And anticipating

I will be waiting

For you to wake againHot temptations

Sweet sensations

Infiltrating through

Sweet sensations

Hot temptations

Coming over you(When you wake up)

(We'll do it all again)

(When you wake up)

(When you wake up)

(We'll do it all again)

(When you wake up)Hour after hour

Of sweet pleasure

After this, I guarantee

You'll never wanna leave

Shut your eyes and think about
What I'm about to do
Sit back, relax, I'll take my time
This lovin's all for you
