

Bare My Soul

Mr. Mister

I say these words to ring in your ears
I want these words to sing to your soul
To wrap around your eyes like a glimpse of tomorrow
Today our joy outweighs all our sorrow I will bare my soul to you
I'll do anything you ask me
I'll bare my soul to you
This is the best that I can do
I'll bare my soul to you You think you know the man that is in me
The one your heart demands you to see
When fear has made a lie of our perfect perception
Well, the truth of love is in our redemption Oh, I will bare my soul to you
I'll do anything you ask me
I'll bare my soul to you
If this is the best that I can do I'll bare my soul to you
Reach out your hands and touch me
And when the storm blows through
Well, I will be there, I'll be there
I'll bare my soul to you Oh, I say these words, they're ringing
Can you hear these words I'm singing?
I will bare my soul to you, to you I will bare my soul to you
I'll do anything you ask me
I'll bare my soul to you
This is the best that I can do I'll bare my soul to you
Just reach out your hands and touch me
But when the storm blows through
Well, I will be there, I'll be there I'll bare my soul to you
I'll do anything you ask me
I'll bare my soul to you
This is the best that I can do
