Hooligan

Embrace

Don't try to beat 'em up

Just call them all aboard

'Cause when your bark is gone

You're gonna take 'em all head on Your faith is running low

It's too bad you'll never know

But don't be a fool again

'Cause they're just hooligansDon't try and save them all

Just try and break their fall

You want to live among

So don't try and right their wrongsBad news is twice around the world

When good is found

So don't be a fool again

They're just a bunch of hooligansDon't try and lead the race

Like it's a life you saved

'Cause you're all in my face

Like you're from outer spaceAnd though you make 'em laugh

You won't beat the smile you have

So don't be a fool again

They're just a bunch of hooligansYeah yeah yeah

Yeah yeah yeah

Yeah yeah yeah So don't be a fool again

Don't be a hooligan

You've tried your best to win

Now get on board your wingsDon't think of paying back

Just keep your soul intact

Don't be a fool again

They're just a bunch of hooligans Yeah yeah yeah

Yeah yeah yeah

Yeah yeah yeahDon't be a fool again

They're just a bunch of hooligansDon't be a fool again

They're just a bunch of hooligans

Don't be a fool again

They're just a bunch of hooligansDon't be a fool again

They're just a bunch of hooligans

Don't be a fool again

They're just a bunch of hooligans
