Feelin' You

Donell Jones

Yo the boy's back
Ha, Donell Jones
Tona bottle
Yo, y'all know what to do
When I see you, I goes off my mind
Set two drinks, can't wait to kick this thing off
Girl, I know I got to get to you before it's too late
'Cause there's a lot of pimps up in this club
And I got to be the one
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
Looking sexy with those seven jeans on
Rocking stiletto's with those magnific toes, they put me on
Think I got you but I'm waiting for that sign
'Cause I got you smiling, girl, gotta get you out of here
I can show you all the things you dreamed of, so come with me
And my gangster diss so smooth, so what's the possibility?
You and me in a drop top fire [Incomprehensible] speed
'Cause I'ma make you see what I see
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you

That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
Do you feel me?
I can show you all the things you dreamed of, so come with me
And my gangster diss so smooth, so what's the possibility?
You and me in a drop top fire [Incomprehensible] speed
'Cause I gotta get you, gotta get you, up, out of here to my crib
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
I'm telling you, shorty, I'm feelin' you
Let them know that I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
So, let's get naughty, I'm feelin' you
Let them know that, I'm feelin' you
That's so exotic, I'm feelin' you
Wanna get erotic, do you feel me?
Shorty, shorty, shorty, shorty
Exotic, exotic, exotic, exotic
Naughty, naughty, naughty, naughty
Exotic, exotic, exotic
Yeah
I'm trying to do this thing
You know what I'm saying?
[Incomprehensible]
