Lovers Again

Rina Steama

I got pictures of you in funny poses
Letters from you with pressed yellow roses
I've got souvenirs of fun times together
And I'll cherish those years and you can bet I'm foreverI know we'll be lovers again, darling
I know we'll be lovers again
It's a matter of time till you see that
I'm the one in the end, I was your friend
Lovers againI got pictures of you with stolen kisses
We looked so young and so full of promise
And we had those dreams but they're not forgotten
'Cause I'll build that house with the yellow rose gardenI know we'll be lovers again, darling
I know we'll be lovers again
It's a matter of time till you see that
I'm the one in the end, I was your friend
Lovers againThere's a picture of you in yesterday's paper
With that smile I knew and the new name you've taken
And I'll live each day without being bitter
'Cause we weren't that way and I know it's not overI know we'll be lovers again, darling
I know we'll be lovers again
It's a matter of time till you see that
I'm the one waiting there and in the end
We'll be lovers again
