

# Spanish Metal

## Kaiser Chiefs

How could we not notice it before?  
well you may as well have pinned it to my door  
well lately I'm oh so slowly coming around  
to the fact that this friend is a friend no more

and if you think you're right then you are wrong  
no one ever really knew what's going on  
now we're all so slowly coming around  
and this friend of a friend was no friend all along

the penny drops from the top of tour eiffel  
through the boulevards to taj mahal

a penny more through the floor of sacre coeur  
from the spanish mane to the yorkshire moors
