

Passive Vengeance

Psychostick

Your pubes are on the soap cuz you never wash em off
And I never say a THING
There's wrappers on the floor and you never do the dishes
And I never say a THINGWell...
I'll move your book onto a different page
I'll let your hamster out of its cage
I'll call you names when you just left the room
I'll draw mustaches on pictures of youPassive vengeance
Passive vengeance
No direct confrontation at all
Passive vengeance
Passive vengeance
No direct confrontationYou haven't got a job and you owe me for the rent
And I never do a THING
You always eat my food and you're hogging up the shower
And I never do a THINGWell...
I'll put a scratch on your favorite CD
I'll tell your friends you watch TNT
I'll steal your change that you dropped on the floor
I wont tell you when I go to the storeHey man
Hey
Where'd you go?
Uhh to the store
Oh well yea I kinda needed some toilet paper it'd be awesome if you could let me know when you do stuff like
that
I'll be sure to let ya know next timeYou won't
You won't see this coming at all
You won't
You won't see this comingCalculated retribution you will feel me indirectly
Retaliation just as well be dealt because I
Farted on your door handle (I got more comin)
I took your roll of toilet paper (No mercy)
I gave your dog diarrhea (He's got more comin)
I threw away your phone chargerSo take that bitch
So take that bitch
You had enough bitch?
So take that bitch
You want more bitch?
So take that bitch

So take that bitch How could you prove it was me? That's called passive vengeance

No direct confrontation at all
